COMMISSIONER
FEB 4 - 1921
FISHERIES

An excellent report.
2/25
H.M.G.
The Commissioner of Fisheries,
Washington, D. C.

Sir:

Herewith is a brief report on the work of the Alaska Service in the southeastern district of Alaska. It includes some comments on the condition of the fisheries of that region, but avoids discussion of the commercial side of the fisheries and the fisheries industry in general.

Respectfully submitted,

Assistant Agent.
